

**SMITHFIELD SEWER AUTHORITY**  
**MONROE COUNTY, PENNSYLVANIA**  
**RESOLUTION NO. 1-1993**

A motion was made by Marianne Higgins, seconded by Jack Durney and carried unanimously to approve the following Resolution 1-1993:

Be it resolved, by the Smithfield Sewer Authority, Monroe County, Pennsylvania, that it shall be the obligation of said Authority from the date of the installation of all sewer line mains, laterals, grinder pumps and existing septic tank or those installed by Contractor, Mele Construction Company, Inc., for the initial 221 connections to maintain, repair, and replace, if necessary, any and all lateral lines located between the septic tanks and main sewer lines, grinder pumps, and all existing septic tanks or those installed as part of the project and mandated by the Pennsylvania Department of Environmental Resources.

**Certification**

I, Terri Timko, Assistant Secretary for the Smithfield Sewer Authority do certify that the above resolution is documented in the Official Authority Minutes book as being adopted by the majority members of the Authority Board at a regular and advertised meeting on Monday April 12, 1993.
