

TERMS AND CONDITIONS

1. The program covers the water and/or gas service line from the curb box to the foundation of the house. The program does not cover damages that occur prior to the start of service, damages inside the residence or the repair or replacement of water or gas meters.
2. Coverage under the program starts thirty (30) days after enrollment and continues thereafter for the term of the agreement so long as the customer makes timely payments. Coverage will be suspended in cases of nonpayment.
3. The program covers materials and labor associated with the repair or replacement of the water or gas service line due to leakage by ordinary wear and tear. Utilishield's coverage is limited to \$3,000 on all water service lines repairs or replacements and \$4,000 on all gas line replacements.
4. Utilishield does not cover damage to the water or gas service line or other property caused by the actions of the customer, third parties, natural disasters, acts of God, abuse, vandalism or other abnormal causes. Utilishield does not cover up-dating and/or moving non-leaking service pipes to satisfy directives of the Utility company. Utilishield does not cover water lines that exceed one (1) inch in diameter and/or those water or gas lines over 200 feet in length.
5. Site restoration is limited to the affected area. Restoration is limited to backfill and mounding. It does not include the restoration of trees, shrubs, decorative landscaping, retaining walls, concrete, paved surfaces or structures.
6. Utilishield has the right to modify this Program, from time to time, on thirty (30) days written notice. Utilishield reserves the right to terminate the Program on ninety (90) days written notice.
7. Utilishield will provide qualified plumbers or contractors to provide expedient and professional service.
8. Utilishield's liability is limited to repair and replacement of the customer water or gas service line. There shall be no other liability for any environmental, property, special, incidental, consequential or other damages. All warranties are disclaimed, including the implied warranties of merchantability.
9. By enrolling, the customer represents that to the best of his/her knowledge, this water or gas line is free from any pre-existing leaks or damage.
10. Utilishield, Inc. will not reimburse the customer for work performed by the customer or by a third party. Utilishield, Inc. will terminate coverage on lines that have been exposed by the customer or by a third party

False Assumptions

Although many customers assume their water or gas service line is the utility company's responsibility they soon find out that it is the homeowner's responsibility.

Most customers assume their homeowner's insurance will cover the cost, but most homeowner's policies do not provide coverage for service line repairs or replacements.
