

Dear Resident,

The **Renovo Borough Water Authority** has implemented SwiftReach's **Swift911™** alerting solution. This will allow us to alert our community with emergency messages and provide information on how to take action. Some contact information, either provided by SwiftReach or from our internal collections, has already been uploaded in the system. However, many of our residents are not in the system.

Registering for alerts is simple. You can opt-in and provide contact information or change the current information we have for you.

Swift911™ PUBLIC APP

To get the Swift911™ Public App, simply text the word "Swift911" to "99538." You will receive a response with a link to get the **Swift911™** Public App within your app store. This app is free and available on most Apple, Android, and Windows smart phones.

You can also register by contacting the **Renovo Borough Water Authority** at 570-923-1318. There is also a fill-in tear-off sheet at the bottom of this page that you can mail back to **Renovo Borough Water Authority**. If you'd prefer.

Renovo Borough Water Authority
128 5th street.
Renovo, PA 17764

We can only alert you of an emergency if we have your correct contact information. So please, help us help our community in keeping everyone informed.

Thank you,
Renovo Borough Water Authority.
